OFFICE POLICY FOR FINANCES AND INSURANCE

1. We will need to verify coverage on all patients prior to beginning treatment or the patient will be financially responsible for all costs until such verification of coverage occurs. We will provide you with a copy of your verification of coverage from your third party payor. We ask that you call your insurance provider to verify its accuracy.
2. Should your insurance provider quote your coverage differently than what was provided to us, as noted on the verification of coverage, please notify us as soon as possible.
3. You will receive copies of EOB's (explanation of benefits/payments to your Chiropractor) from your insurance company. They will come in the mail. Please open each one and compare what the EOB states as your financial responsibility vs. the amount you pay each visit in our offices. Any differences between the two should be brought to our attention immediately. If additional amounts are due, please be prepared to pay that amount at your next visit. After reviewing the EOB, please place it into the manila folder that was given to you on your first visit, so that you will have all your Chiropractic records in one place.
4. We will file all claims as a courtesy and/or requirement for third party reimbursement, however, you may still be held responsible for payment should such claim be denied.
5. We allow up to 60 days before claims will be the responsibility of the patient to pay. Interest on the claims will not occur until 30 days past the patient's responsibility date or thirty days after denial of third party payment, which ever occurs first.
6. Statements will only be sent if there is a balance due by the patient.
7. Responsibility for obtaining and maintaining referrals for HMO plans is that of the patient. We cannot alter or modify dates of service (or anything else) to accommodate improper filing procedures. If coverage is verified after a treatment date in which the patient paid in full, we will file that claim as a courtesy and the patient will be eligible for a refund after we receive payment for such date.
8. Our office will need to be notified immediately if there is any change in the following: health insurance, patient address, patient home telephone number, coverage termination or cancellation or any other reason that may affect third party reimbursement.
9. Non-compliance for payment due may result in a \$25.00 late payment/no payment and/or interest charges.
10. Deductibles and all co-payments are expected at the time of service and may be paid ahead.
11. Unless other arrangements have been made, if a patient's treatment plan is greater than once every 3 weeks, the patient will no longer be eligible for health insurance assignment. Most health insurance considers this to be maintenance care and does not reimburse for this. You may still be eligible for insurance reimbursement, however, we will ask that the patient pay us and then the patient can submit the bill to their insurance carrier for direct reimbursement.
12. This office does not promise that an insurance company will pay for usual and customary charges of this office, nor will this office enter into any dispute with an insurance company over reimbursement or the amount of reimbursement.
13. I understand, should additional information be asked from Chiropractic Centers of Short Pump (i.e. notes), that I would allow 15 working days for such requested information.
14. I have read over and agree to the financial considerations for treatment costs.
